

The time to spread holiday cheer is here!

You can help the John F. Kennedy School PTSO give back to our community. Each year families from our town are selected to participate in our Giving Tree program.

South Plainfield has a number of families in need. The Giving Tree allows these families to celebrate the holidays thanks to the kindness of people like you.

Tags with suggested gifts and age are displayed on our tree in the school lobby for each of the family member. All you need to do is stop by the school and select a tag!

Each tag has a corresponding number. **Please sign your name next to the corresponding number on the form** located next to the tree. Include your name, contact number and email address.

Once the item from your tag has been purchased, please bring the item in wrapped. Be sure to attach the tag you picked off of the tree and give it to Mrs. Sutton in the main office.

Please be sure to bring in the items by Monday, December 17th.

If you are unable to collect tags in person, please submit a request by visiting <https://tinyurl.com/JFKgivingtree>. Tag(s) will be sent home with your student.

Thank you for making others' holiday season a little brighter.

Any questions please contact KRISTEN BUSCH (kristen.busch15@gmail.com) or JEANETTE GORMAN (jeanette.gorman@yahoo.com).
